Have you got	a big family?	a pet?	a sister?	two brothers?
YOU				
YOUR FRIEND				

4. Now, ask your friend and complete the table.

Read the webpage and do the exercises.

SCIENCE PROJECT

Do a survey.

SCIENCE ALL AROUND!

Have you got brown eyes? Have you got blonde hair? Do you know why?

Physical characteristics come from the genes transmitted by your parents. For each physical characteristic, you receive two copies of information. When the information is different, one dominant (D) and one recessive (R), the dominant is expressed. For this reason, dominant characteristics are more common. **(+)** (+)

WHAT CHARACTERISTICS HAVE YOU GOT?

DOMINANT

RECESSIVE

DOMINANT

Now, ask your friend and complete the table.

WHAT CHARACTERISTIC HAVE YOU GOT? DOMINANT **RECESSIVE**

INTEGRATION
Read and complete. Then write and draw.
