International Migrants Day

1

Students' own answers

2

- 1 To recognize and respect the fundamental rights and freedoms of all migrants around the world.
- 2 Globalization has contributed to the displacement of millions of workers, forcing them to leave their places of birth for better opportunities for them and their families.
- 3 Groups hold press conferences, hold rallies in front of their local and national governments, they organize workshops, educational forums and celebrations, and raise funds for international human rights for migrant people.
- 4 To recognize the contributions made by millions of immigrants to the development and well-being of so many countries in the world, to promote respect for the rights of immigrant workers and their families, and to highlight the issues that are of key interest to migrants and their communities.
