

Who am I?

1 Find the places in the town. Write the numbers next to the words.

| | | | |
|------------|-----|----------------|-----|
| roundabout | ___ | petrol station | ___ |
| playground | ___ | church | ___ |
| taxi rank | ___ | fountain | ___ |
| crossroads | ___ | block of flats | ___ |
| square | ___ | post office | ___ |

2 What other places can you see in the town? Write a list.

3 Read what this person is saying and look at the picture again. Which person is it?

I can see a block of flats from where I am. I can also see a cyclist. There are boys playing football in front of me and I can see the library. Who am I? _____

4 Choose one of the other people in the town. Write a description of what he/she can see.

5 Work in pairs. Read your description to your partner. Can your partner guess who you are?
