

This was a BAD day for Alex.

Oh no! Please,
Coach... I...

I'm sorry,
Alex. You don't study,
you don't play.

Alex didn't pass her computer exam.
She won't play in the school tennis team.

That afternoon, Alex talked to her friends.
She was very sad.

James, Torbin and Kaveeta were very sad too.
And Amy was... bored.

Alex and her friends stopped talking to look at a girl.

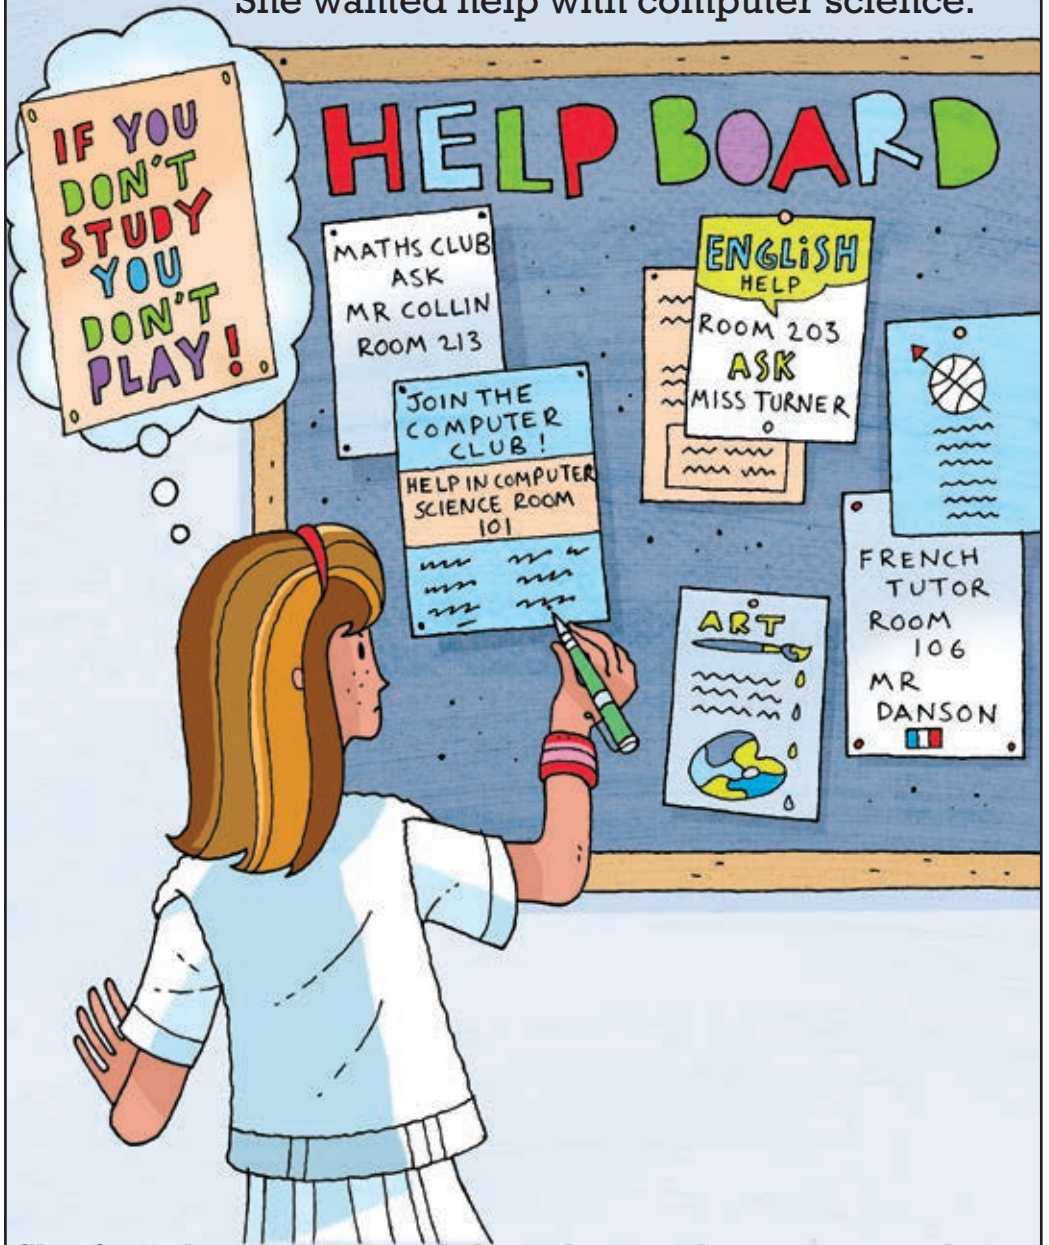

That's the new girl. Her name is Evie. She moved into the house next door last week. She's OK.

OK? Look at her. And those books... That's not fun.

Alex's friends didn't like Evie. Evie didn't like tennis, she liked books. Evie was different.

The next day, Alex looked at the school's Help Board. She wanted help with computer science.

She found a computer club and wrote her name on the list. She wasn't happy because she wanted to play tennis.
