

# Communicative Grammar Game 7

**Objective** To ask questions to complete a drawing.

**Grammar** *What are the children (buying)?*

*They're (buying ice cream). What's there (at the zoo)?*

*There are (tigers and hippos).*

**Interaction** pairs

**Preparation** Make copies of Game 7  
(1 per student).

## Directions

Hand out the game sheets. Divide the class in half. Explain that there are two incomplete drawings on the handout. Tell one side of the classroom to complete picture 1, and tell the other half to complete picture 2. Monitor and provide help as needed.

Next, have students from both sides of the classroom get together to form pairs. Invite them to take turns asking and drawing the missing information:

S1: *What are the children buying?*

S2: *They're buying ice cream.*

S1 (DRAWS ICE CREAM)
