

# Communicative Grammar Game 9

**Objective** To ask and answer questions to complete a schedule.

**Grammar** *What are we going to do on Monday?*  
*We're going to go hiking.*

**Interaction** pairs

**Preparation** Make copies of Game 9 (1 per pair).  
Cut the sheets along the line.

## Directions

Divide the class into pairs. Hand out the schedules (see *Preparation*). Make sure each pair has an A sheet and a B sheet. Explain that these schedules describe the activities for Camp Hullabaloo, but each partner has only part of the information. Remind students not to show their schedule to their partner. Explain to students that they need to complete the schedule by asking questions about the future plans. Model the questions, and then elicit some sample dialogues:

S1: *What are we going to do on Monday?*

S2: *We're going to go hiking. What are we going to eat for dinner that day?*

S1: *We're going to eat salad. What are we going to wear?*

S2: *We're going to wear a shirt and pants.*

S1: *Okay, thanks.*

Next, invite students to take turns asking each other the questions to complete the schedule.

When all pairs have finished, check answers by calling on random students and asking them general questions.
