Mystery Island

Julie Davies

 **Richmond**

This is the village
of Polcastle.
It's in Cornwall.

It's early morning. The
sun is rising. There is a mist
coming in from the sea.
The town is waking up.

The old man
is on the beach,
looking out
to sea.
He is waiting...

Later that morning, Star, Avril and Leo are in the village café *Tea and Books*. It is the first day of their holidays in Polcastle. They are talking about their plans.
