 >>> Hello! I'm Amelia. I'm eleven years old and I ¹ from Scotland. I live with my family in an eco-village in Glasgow. There ² solar panels in my house and we use the energy for electricity and heating. I share my bedroom with my sister Grace. She ³ thirteen years old and she ⁴ listening to pop music and dancing. Sometimes, the music is too loud and I go to the garden to ⁵ magazines. I like this place because it's quiet. Near my house, there ⁶ a big park and I always go there with my friends. We ⁷ our bikes and climb up trees. We have fun!

 >>> Hi! My name's Santiago. I'm twelve years old. I ⁸ in an eco-neighbourhood in Colombia. I haven't got any brothers or sisters, but I ⁹ two cousins and they live near my house. They usually come home and we ¹⁰ our homework together. Then we play in the garden with my pets Cleo and Frankie. My bedroom is my favourite place because it's very big. There ¹¹ two shelves with books and board games next to the door. And there ¹² a big table in the middle of the room so I study and play there with my cousins. But the best thing about my bedroom is that there ¹³ a window on the roof. I like looking at the stars when I ¹⁴ to bed at night and I sometimes see the moon, too.
