Our national dish is kibbeh. It's like a meatball, but very crispy on the outside. Inside, it has meat, onion, wheat and spices.

The landscape in Lebanon is beautiful and diverse. There are beaches along the Mediterranean, and also mountains running from north to south. In the town of Tannourine there is a forest of cedar trees.

Lebanon is famous for its cedar trees, but now they only grow in protected areas. Did you know there are no deserts in Lebanon?

Hi Lara,

How are you? What did you do on Saturday? I had a really nice day. I went to Jon's birthday party. I've known Jon since kindergarten.

First, we went to his house. Have you ever been to Jon's house? It's really nice. Then Jon's mom took us to a forest nearby. It's near a lake. I made some new friends because Jon invited people from his old school, too.

Have you ever celebrated your birthday in a forest? We played games and ran around. Look at the picture! It was really fun!

I hope we can get together one day. Does your family ever go camping? Maybe our families could go together this summer! Ask your parents and I'll ask mine, OK?

Love,
Wendy
